Imagine the stress of having a child who is undergoing treatment for cancer. Add to that the stress of missing work for weeks on end while living in a hospital room with your child who is fighting for his life. What will you do with your other children? How will you pay for daily parking and other expenses? Who will be there to help you and your family? For three and a half years, the Wilks family underwent this experience with their own daughter, Jennifer. They found wonderful support from the hospital and many charities generously helped their family and kept a smile on Jennifer's face.

After Jennifer lost her own battle with cancer, the Wilks family were moved and inspired to establish the "Jennifer Wilks Foundation" for the purpose of giving back to these charities. From this sprang the "The Jennifer Wilks Foundation's Annual Charitable Golf Tournament". Funds from this tournament benefit the children and families on the cancer unit at Dell Children's hospital. Three times a month they serve dinner to the families at the hospital. They also help the 'Hungry Bunch' youth group for teenagers fighting cancer. They sponsor special activities on the oncology floor and help other charities as well, including: "Make-A-Wish" (grant a child a wish here in Austin), "The Leukemia & Lymphoma Society", "His Grace Foundation" and several cancer camps in the Austin area.

Please join us, together we can make a big difference.

Corporate Sponsorship is needed to make this tournament a success! Please help, the children need YOU.

See you on the green!
